Notes:

1. Bluetooth® is a registered trade mark of Bluetooth SIG, Inc. Compatibility and functionality varies depending on device.
2. Driving assist systems are not a substitute for the driver's responsibility of the vehicle.
3. Colours depicted are a guide only and may vary from actual colours due to the printing. Please contact your local dealer for available exterior and interior colour combinations.
4. The real range is influenced by many factors such as individual driving style, load and traffic conditions. The declared range is estimated for reference only.
5. Charging times and charging speed may vary due to different factors such as battery temperature, specs of charging infrastructure, state of charge. A CCS2 DC charger with an output exceeding 60kW and a current above 200A, as well as the suitable ambient temperature (25°C) are required to achieve the maximum charging speed.

All information and illustrations are based on data available at the time of print and are subject to change without prior notice. Please contact DongFeng Pretoria for the latest information.
*DONGFENG reserves the right to vary vehicle specifications and standard features from those detailed in this brochure.
